

XEPTO
ACADEMY

**EMPOWERED
EDUCATION
FOR ALL**

Xepto Academy is a digital library of quality courses for continuous learning and professional development. Following Xepto Education's online learning pedagogy, modules are created with varied media engaging learners as they upskill and progress.

Created by subject matter experts

Xepto Academy covers courses in education, professional development, and more. Top university instructors, Silicon valley experts, and industry leaders designed these courses to be engaging and fun to learn online.

Accredited for professional certification

Responding to the new requirements of blended learning, Xepto Academy aims to empower Filipino educators with Continuing Professional Development courses accredited by the Professional Regulation Commission. Focusing on online learning best practices, teachers can learn from experienced professionals how they can further improve their own practice as we continue to explore the ins and outs of distance and blended learning.

Trusted by top educational institutions

Xepto caters to top educational institutions such as Muntinlupa Science High School, Balanga City National Science High School, and PAREF Woodrose. Faculty members use Xepto learning platforms including Xepto Academy to acquire new skills in learning management systems, online education, and more.

CPD Courses for Online Educators

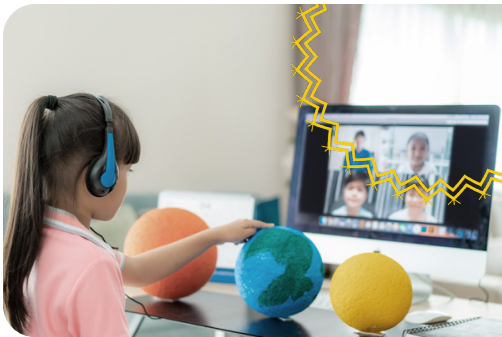

With Xepto Academy, teachers can work around their busy schedules to further their learning and earn their annual CPD requirements — 100% online. Our CPD-accredited courses are aligned with Xepto Education’s online learning pedagogy, so that we do not only say what needs to be done — we show what needs to be done.

Journey to Effective Online Teaching: Best Practices

Teaching online is a new experience for most educators. In this course, they will learn how to address the issues of online teaching from model educators who have successfully achieved their objectives in the distance learning setup.

CPD Accreditation Number: PTR-2021-310-596
Approved Credit Units: 3.0

Classroom Management in a Virtual Environment

Educators all over the world face the challenges of instilling discipline among their remote students. Through this course, teachers are expected to learn strategies in establishing control and maintaining order in the virtual classroom.

CPD Accreditation Number: PTR-2021-310-584
Approved Credit Units: 2.0

More courses, CPD and non-CPD, are added regularly. Visit academy.xeptoeducation.com for an updated list.
